>Hey team. We are still working through the options for changes to platform in the wake of the CA escalation and continue to answer PR and regulatory inquiries. Really appreciate this group's work in particular - you have all been running very hard the last few days.  
>  
>Per my post in Global DevOps this morning, make sure that you're taking care of yourself and finding little off-ramps between crises to decompress, refuel, and connect with others. We have a lot of impactful work ahead of us, but we can't afford to burn out during this peak. Hang in there and please reach out if you want to talk through anything.

William Moca Fusz (3/20/2018 16:42:03 PDT):  
>Yup, just add to the Quip with Brian and Ali - thank you!!

Michelle Lynn Fang (3/20/2018 16:42:08 PDT):  
>Related question- should we even be using Quip for escalations related info given Quip's still a 3rd party?

Michelle Lynn Fang (3/20/2018 16:42:51 PDT):  
>(Asking because I'm on some sensitive Quips for IG and wasn't sure what official stance was)

David Doyle (3/20/2018 16:43:00 PDT):  
>Yeah, Quip is vetted and approved

William Moca Fusz (3/20/2018 16:43:39 PDT):  
>Just ensure that if it's very sensitive you ask a lawyer for guidance in the Quip and privilege it

Emma Jacquemart-Simonen (3/20/2018 16:44:53 PDT):  
>How does one 'privilege it'?

David Doyle (3/20/2018 16:45:22 PDT):  
>With the presence and approval of an attorney
